

Sandra -

There are so many things I  
would love to write about,  
so I will wait for a survey.

Chester could be a great  
place for everyone to live.

Please remember - NOT everyone  
has a computer to go on your  
web site. - or even a way  
to get to the meetings.

I would help if you needed  
it.

Thanks

Bettyann Warner
