STREET REPORT: Street Superintendent, Charles Bono, read his report as follows:

As of December 1ST, our season for the bulk pick up of leaves, along with our Green Waste Removal Program has come to an end. We would like to thank village residents for their cooperation in putting out their leaves as early as possible. Our Green Waste Removal Program will resume on April 1st, 2019.

On November 15, we had our first snowstorm of the year which sent us into a little bit of a scramble between trying to get as many leaves pick up as possible and get our sanders and snow plows ready for the storm. We received 8" of wet heavy snow. I would like to thank my crew for all their hard work from picking leaves during the day to plowing snow all through the night into the next morning, along with Joe Rosploch from the water dept. who came in and helped set up the snow blower the day of the storm which made it easier for us to complete both task.

With the winter months approaching we would like to remind village residents of a few simple guidelines to help aid the street dept. with the removal of snow:

1. Please do not place garbage receptacles out in the street or onto sidewalks. Garbage receptacles should be placed behind the curb. With the current Garbage Company, the garbage trucks have arms on them to reach out way past the curb in order to pick up your receptacles.
2. Bulk collection for garbage pickup occurs only during the months of April to November.
3. Although the village street dept. provides a courtesy by clearing the sidewalks. It is still the property owner's responsibility to maintain the sidewalks and keep them clear of snow and ice.
4. Please do not relocate snow from driveways and sidewalks into the street. This is a violation of the New York State Highway Law (Article 8, Section 214) and will cause a hazardous condition on the street.
5. Please remember the village snow ordinance that is in effect from November 1st to April 15, between the hours of 3:00am to 6:00am.

The holiday decorations have been put up on Main Street and Academy Ave.

The street dept. will be collecting Christmas trees the week after Christmas. Please make sure that all ornaments, lights, stands and plastic bags that are wrapped around the tree are removed and that the tree is placed curbside. The last day for collecting Christmas trees will be January 31, 2019.

Spoke to Steve Bolan at Carbone Cars. Our new truck has been made and is in transit to Henderson Equipment. It was supposed to be delivered today.

We have blacktopped the ditch line on 5 Highland Ave., where we replaced an old drainage pipe.

We had a problem with our new gas dispenser on Thanksgiving Day where the dispenser would not scan the RFD Tags. Northeast Petroleum came down and installed a new board in the dispenser.

A motion to accept the Street Department report, as read, was made by Trustee, Elizabeth A. Reilly,

second by Deputy Mayor, Christopher Battiato. Motion unanimously passed.

WATER REPORT: Water Commissioner, Gary Green Jr., read his report as follows:

- 2) Twice per week filter cleaning
- 3) Final mowing and leaf cleanup of facilities

- 11) Marking out of water lines for Dig safe N.Y.
- 12) Hydrant markers installed.
- 13) Joseph Rosploch did snow removal of the sidewalks.

Water Commissioner, Gary A. Green Jr. stated that the Princeton Street Tank needs of a rebuilt kit. The rebuilt kit cost \$993.21 and it's not in the budget. We are currently shutting on and off until we can figure out what's wrong. A new unit could cost up to \$3,000.

Water Commissioner asked the Board for permission to purchase the rebuilt kit.

Mayor John Thomas Bell responded, the Board will discuss and get we will get back to you.

A motion to accept the Water Department report, as read, was made by Trustee, Elizabeth A. Reilly, second by Deputy Mayor, Christopher Battiato. Motion unanimously passed.

Everyone made it safe and sound before mother nature dumped nearly a foot of snow on us.

The next movie matinee will be on December 20th and the fire house.

November 15th met with Tracey Schuh and Sonia of NY and NJ trail to discuss the possibility of connecting Chester Commons Park with Goose Pond Mountain State Park. We recently started a walking path and we hope to connect the two, so we can have the new option of easy walk or more rigorous hike from the commons location.

The Children Holiday Party on Friday, November 30, 2018 at the Sugar Loaf Engine Company was a great success. Santa and his helpers did a fantastic job. A big thank you to Michelle, Kristen, all the volunteers, and the member of the Sugar Loaf Engine Company for all their help.

Public Comments:

Mr. Rocco Picone was in attendance to inquire on how to move forward as far as zoning change for 6 Kings Highway. He is currently in contract to purchase the property but only on the condition that he will be able to change the zone from M2(Manufacturing) to B2 (General Business). Mr. Picone informed the Village Board that he hired Lanc & Tully Engineering and Surveying, P.C. for assistance with regards to the zoning change on the 6 Kings Highway property. Kristen from Lanc & Tully Engineering and Surveying, P.C advised that it's not worth going for a zone change in light of the fact that the Village of Chester is working on the Comprehensive Plan.

Mr. Picone reached out the Village Code Enforcement Officer, John Orr, to inquire about the comprehensive plan and if he should wait until the comprehensive plan is completed in order to see if 6 Kings Highway would be addressed. Mr. Orr respond, that in his opinion it could take more than a year to complete the comprehensive plan.

Mayor Bell asked Village Attorney, Henry N. Christensen if he would give a brief elaborate on the process of zone change.

Mr. Christensen started out by saying, any zone change has to be taken up by the Village Board. It has to be referred to the Planning Board for comment. After the Planning board has produced their comments then, if the board is interested in pursuing it, there has to be a public hearing.

With that particular location it would have to go to the Orange county Planning Board as well, because their state highway is next to the location, which is on the Village and Town border.

That part of the Village has always had challenges for development on account of the traffic issues. How cars can or can't make a left turn. That's probably the primary thing you have to figure out before you make your request for someone to consider something because that's going to be the number one question.

Mr. Picone, made mention that he spoke to Leslie Wenger, who purchase a parcel next to 6 kings highway regarding adjoining the two properties in an effort to have a loop turnaround from the Back.

Mr. Christensen, stated that could be a better way to present as issue, than coming individually.

Village Code Enforcement Officer, John Orr, stated that the properties were zoned M2 because of the railroad. It looks like they did that corridor there and down Lehigh Ave is all M2. Its something we spoke about briefly. Mr. Picone is just looking to know if he should make an application or wait out the process.

Mr. Christensen, or if it's even going to get addressed in the comprehensive plan.

Leslie Smith of the comprehensive committee, mention to Mr. Picone that now that for 2019 the comprehensive committee will be having regular meetings he should consider attending. In addition, she mentioned that there will be a comprehensive meeting tomorrow night, December 4, 2018 in the Village's conference room at 7pm.

Mr. Picone asked Mayor Bell if he should wait on submitting an application.

Mr. Christensen, stated if you think you a solution to the traffic issues, make a proposal and state the process. In addition, counsel made mention that others have tried to develop down there and have stumble over the traffic.

- **ADJOURNMENT:**

A motion to close the meeting at 7:50 pm and go into executive and will not conduct any further business, was made by Deputy Mayor, Christopher Battiato, second by, Trustee, Brian J. Boone. Motion unanimously passed.

Respectfully submitted,

Rebecca Rivera
Village Clerk
